Money due when colt is foaled or mare parted with, moved out of the county or bred to another horse. Pasture furnished mares from a distance at \$2 per month. Due care will be taken to prevent accidents and escapes, but in no event will we be responsible for either.

Description: Silver Tip was foaled May 5, 1888, is a beautiful bay, 15½ hands high, fine mane and tail, which he carries to perfection. We claim for this young stallion that he has more natural style and action than any stallion in the country—in a word, he is a model in form and as a saddle horse. It can be readily seen that this is one of the very best saddle blood coursing through his veins, backed up on both sides by thoroughbreds, in addition to this stallion's saddle qualities, he is a bold, open trot, which eminently recommends him as a sire of high class combined horses. As we can readily recommend him as a fine breeder, as this will be his third season and colts will compare favorably with the get of any horse in the country.
